6.30-7.30pm AEDT OR**

**Thursday 14 November
1-2pm AEDT**

Stay informed and empowered by understanding the changes to NDIS Employment Supports

Interactive webinar with guest speakers from the NDIA!

The School to Work Project are hosting a webinar to discuss the NDIA's Youth Employment Framework and recent changes to NDIS Employment Supports.

Guest speakers **Mary Hawkins** and **Chris Drimal** from the National Disability Insurance Agency (NDIA), Employment Branch, will provide information on:

- Recent changes to NDIS Employment Supports
- The importance of having employment goals included in a NDIS plan
- How to best utilise employment supports
- The interaction between NDIA & DES
- Self Management and Employment Supports
- Using Employment Supports to Facilitate Work Experience, and
- The role of NDIA and education in relation to employment

Have any burning questions for the NDIA? **The session will also include a Q & A segment.**

About the hosts

This webinar is hosted by the School to Work Project. School to Work is a consortium project designed and delivered by Resourcing Inclusive Communities in NSW, Community Resource Unit in QLD, and Imagine More in the ACT.

Who is this webinar for?

Families who are currently supporting their family member to access employment support through the NDIS. Professionals who want to better understand changes to employment support provided by NDIS.

Bookings essential

This webinar is FREE with limited places.
