Diving into Discovery

NEW FREE WEBINAR!

Discovery starts with the notion that everyone can work! The process looks deeply into who a person is and what they can contribute to a work environment. Specifically, Discovery focuses on three main areas: a person's interests, contributions and conditions for success. Undertaking the Discovery Process for a person with disability can help improve their chances of finding real, meaningful work. Come along to learn more!

What is School To Work?

School to Work project aims to inspire and equip students with disability, through the support of families, to seek meaningful, paid employment in the community.

Who is this webinar for?

Family members of a person with disability, professionals engaged in supporting people with disability to find work, allies of people with disability.

Topics

- The benefits of Discovery and starting with the person, not starting with the job
- Steps of the Discovery Process
